of Neuroscience
Tel Aviv University

Your Monthly Newsletter – January 2024

The Sagol School of Neuroscience wishes everyone a happy new year, full of new discoveries & achievements!

May you'll have a mentally and a physically healthy year, may your brain work overtime on new ideas and on ways to make old dreams come true.

We pray for the safe return of all the hostages, and the safe return of all the soldiers.

Things Happening In Sagol

The academic year start is marked by the 'Iron Swords' war, a defensive war that Israel entered following the heinous massacre committed by Hamas on October 7, 2023.

Call for Applications Adams Super Center for Brain Studies: Travel Funding Opportunity, January 2024. [more info.](#)

Call for Applications Adams Super Center for Brain Studies: Brain Research Conference Support Grant, February 2024. [more info.](#)

The International Neuroscience MSc Program at the Sagol School of Neuroscience is open for 2024/25 applications!

You are welcome to check the program details [here](#).

Please keep in mind that registration for 2024/25 will close on March 20, 2024.

We appreciate your assistance in spreading the information to relevant colleagues and increasing the number of suitable candidates for the program.

We will conduct an **Online Info Session** about the International Neuroscience MSc program.

The session will be held via zoom, on Tuesday, February 20th, 2024, at 6 PM (Israel time).

Registration for the session:
